### **Day of reflection – Pope Francis' vision for a renewed Church**

CAFOD are running a day of reflection to contemplate the deeper meanings of Pope Francis's teachings. This will be a chance to learn more about some of the issues that Pope Francis has spoken out on, including issues around global poverty, inequality, refugees, environment and care for the global family – all through the theme of mercy. The day will be a chance to stop, pray and reflect on some of these issues and look at how can we reconnect our lives to the values of the Gospel. Please do make a special effort to come along to what will be an informative and transformative event! **AN AUDIENCE WITH POPE FRANCIS – MAY 18<sup>th</sup>**

Last week we informed everyone for the first time, Pope Francis welcomed the largest global gathering of the Huntington Disease community in Rome on the 18<sup>th</sup> May. Huntington's Disease is an incurable genetic brain disorder affecting hundreds and thousands of people globally. It is the most common hereditary brain disorder, yet few people know about it and no cure exists.

**Our very own Ceri, Douglas and Megan were present at the audience with Pope Francis for families affected by Huntington's Disease. His Holiness came over to Ceri giving her his blessing, a wonderful spiritual experience for her, Douglas and Megan.**

See the following link for further information and see who is in the photograph with His Holiness????
