27<sup>th</sup> March 2020

Dear Parents,

I hope that you are all safe and well at this concerning time and we have everyone in our school community in our prayers.

I would like to sincerely thank the staff at St Michael's for their dedication and commitment this week, from ensuring all children have passwords, setting a variety of tasks and looking after the pupils of key workers. All has been completed in a professional and thoughtful manner. I am so proud to work alongside you.

From Monday 30<sup>th</sup> March, St Michaels is closed to pupils and staff have volunteered to work in the Hub school. This again is a credit to their commitment to the role they have as part of St Michaels.

We have set up temporary email addresses for parents to contact us.

[head@stmichaels.wales](mailto:head@stmichaels.wales) This will contact me if you need to get in touch for any concern or support and I will do my best to help you.

[homelearning@stmichaels.wales](mailto:homelearning@stmichaels.wales) This will be directed to Mrs Thomas who can help with password and account access.

### **A message for all pupils.**

Hello all,

I hope you are listening really well to your parents and following all the new rules we have to follow. They are very similar to our Golden Rules because if you follow them you are helping others and being the best you can.

All the work being sent home by your teachers is to help you keep your mind busy but it is really important that you spend time with your families, play board games, watch films and enjoy the sunshine.

Stay safe, be good and remember St Michaels is really looking forward to seeing you when we can open our doors again.

*Mrs Taylor*

## A Message for parents

Your number one priority is supporting your child's wellbeing during these difficult times. Please remember there is no pressure to complete all tasks and upload work daily.

Staff are expected to provide work as part of their role, they will also be available via seesaw or emails to answer any questions and comment on pupils work but also the lovely things you are doing as a family if you choose to share.

New activities will be put on Monday 30<sup>th</sup> March for next week. Then we will follow the Easter holidays and return to school activities on Monday 20<sup>th</sup> April until the ½ term date in May. Please choose the tasks that are easiest to complete and that interest your child.

Further information can be found on the school website under class pages and click on the home learning tab.

Take care, keep smiling and praying.

Kindest regards,

**Mrs Joanna Taylor**
